Mr. Steven Garfinkel
Director, Information Security
Oversight Office (Z)
General Services Administration
18th & F Streets, N.W.
Washington, D.C. 20405

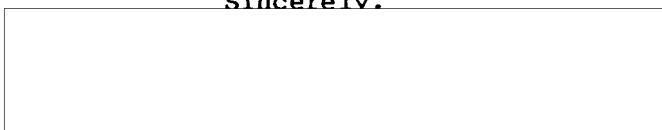

Dear Mr. Garfinkel:

Enclosed is our Agency Information Security Program Data (SF 311) report covering the period 1 October 1983 through 30 September 1984. As was done last year, the statistics on classification decisions in sections 7A-C of the report were obtained from an actual count over a seven-day period (8-14 September 1984) and projected to cover the reporting period.

The number of original classification authorities in Section 5 is provided only for inclusion in reporting government-wide totals. This number should not be attributed to CIA, in accordance with the DCI's responsibilities under the CIA Act of 1949 to withhold publication of numbers of Agency personnel.

I appreciate your invitation to attend the symposium on the public policy of information security and regret that I will not be able to attend. However, the flyer announcing the symposium has been given wide distribution in the Agency and I understand that a number of people have already registered. The Agency's liaison representative to the Information Security Oversight Office will notify you of the total number of attendees in mid-November.

Sincerely,

Harry E. Fitzwater
Deputy Director
for
Administration
